

FACIAL TISSUES

Vi-PRO luxury face tissues have a perfect combination of softness & excellent absorbency. Sheets are presented fully open once dispensed, with the next wipe protruding for future use.

- Softness and Comfort: They provide comfort during colds, allergies, and everyday use.
- Enhanced Hygiene: Each facial tissue is individually folded, maintaining its cleanliness.
- One-by-One Dispensing: The folded structure allows for easy, one-by-one tissue dispensing.
- Versatile Usage: Our facial tissues are versatile companions for various situations.
